Private University Estd. in Karnataka State by Act No. 41 of 2013

Dear Madam/ Sir,

PU/2020-21/BD-801

Greetings from Presidency University, Bengaluru!

At the outset, let me congratulate you and your esteemed Institution on the significant contribution made to the propagations of Quality Education. The growth of your Institution and the impressive performance of your students is a testimony to the high calibre of your management team and to the quality education imparted.

We are glad to inform you, that our galaxy of accomplished faculty / career guidance experts from IITs, IISc, BITs, NITs, IIMs, ISBs, NLU's, Kellogg, University of California and other prestigious institutions, have conducted Career Guidance Workshops across the country.

The landscape of management education is getting changed very rapidly. This is the era of enterprise 4.0. The student need to upgrade and upskill with new trends and need to pursue courses which will equip them with these tools and new technology so that they can be in race in the coming decade.

We have scheduled such Workshops this year as well. In this regard, we invite your students to attend the Workshop on "Career Beyond Traditional Degree Program and Choice of the Right Career Option Post Under Graduate Education". The duration of the Presentation would be 30 minutes followed by a Q & A Session for about 15-20 minutes. Presidency University conducts these Sessions as part of our Institutional Social Responsibility [ISR] Initiative. You would be aware of the fact that some of your bright students have chosen to pursue their professional education at Presidency University and we are glad to have them here.

You would also appreciate that post their Under Graduate Education, most of them would be at crossroads as to the destination of their Higher Education. Choosing the right College or University is vital for a successful career.

Kindly contact Ashok Bhatt at 91-9606931901 for scheduling the interactive session.

We look forward in collaborating with your esteemed organisation and collectively assisting in igniting the minds of the future community leaders

Thanking You,

Arun Kumar HN
