About Our College

Sree Siddaganga First Grade College of Arts and Commerce, located in Nelamangala established in the year 1984-85, is the pioneer in catering education in the field of Social Sciences and Commerce at the UG level in the Bengaluru Rural District, Karnataka State. It is managed by Sree Siddaganga Education Society (R), Tumakuru of Karnataka Rathna and Padma Bhushana Dr. Sree Sree Shivakumara Maha Swamiji, is the Founder of the Society. Our college offers two UG programmes like B.A and B.Com courses affiliated to Bangalore University. The Institution is making all efforts to realize its noble vision to providing Value based education at an affordable cost by giving admission to students of all walks of life. Our students have also excelled both in curricular and extracurricular activities. Our College has secured 11 ranks at the University Level securing 5th and 8th rank in Arts and 7th rank in Commerce. Besides, Sri. K Santhosh Kumar having secured highest marks in History has won the cash prize award from Bangalore University. At present the college has a Winner Ball Badminton, Runnerup Women's Throw-ball team at Inter University Level, won the Cricket Tournament First place, Volley ball Second place and Kabbadi Second place held during the year 2018-19.

Dr. H P Veerabhadraswamy
Principal

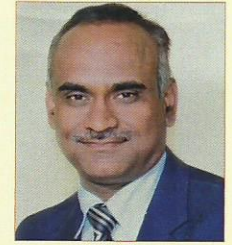

Sree Siddaganga First Grade College of Arts and Commerce is offering B.A course from 30 years and B.Com from 25 years. The college publishes Annual magazine "MANGALAGANGA" to tap the hidden talents of the students. Guest Lectures, Seminars and Factory visits are a regular feature to give more practical orientation to B.A & B.Com students. The teachers are also encouraged to take up research work in their specialized areas and are deputed to Seminars/Conferences/Workshops/FDPs to update their knowledge. The Institution has a state of the art of infrastructure like Seminar hall, two Computer Labs, a Spacious Library and Information Centre with the open access system as a learning resource center, Reference section, Bar-coding system, Online e-journals.

About Webinar

New Trends and Techniques in Digital Online Learning: In this pandemic times, the entire education is working towards online education. These sessions would have details about the Tips and Tricks which have evolved during these pandemic times for experiencing better teaching-learning process. Let us join to flatten the Pandemic curve but not the learning curve. In today's competitive world, we all want to become more talented & knowledgeable than others and we also want to pass this genre to our next generation. As we know that education increases its level day by day in any field & you would have to be updated if you want to stand in the market. So in this scenario, a question arises in all minds that is how can we become more knowledgeable and skilful than what. What can we do and what should we do? Okay now relax you don't have to worry because in this digital world we have an option of Online Education. There are so many educational portals available on the internet. From them, you can get free online courses in India as well as internationally. So now you will definitely have a thought that how to access the best platform for e-learning.
